Big Baptizing

The Baptist church presided over here by Rev. F. H. Rhodes, the same being the old established negro church of the denomination, enlarged membership by baptizing 18 converts Sunday May 15. The revival among the negroes was productive of a large number of penitents who became converts, 18 of whom joined the Baptist church and there may be quite as many who will be baptized into the Methodist church.

The baptizing mentioned was much like an old time affair and drew an immense crowd to witness the ceremonies. Everything passed off perfectly and it only remains to be demonstrated by each of the new church members that he or she has real religion and will hold to it.

Mrs. Raymond Quick

One of the saddest deaths reported here was that of Mrs. Raymond Quick, nee Sadie Mitchell who died at her home west of town last Tuesday afternoon of lockjaw. There are two little children one 2 years of age the other one week old, besides her husband and her parents Mr. and Mrs. John Mitchell, and three brothers and two sisters.

Sadie Michell was born on a farm near Mendon Nov. 10, 1895 and was united in marriage to Raymond Quick May 2, 1928. She was a student in Keytesville high school about five years ago, later going to Brunswick high school and while there she joined the Christian church in that city and remained a faithful member.

Rev. W. H. Rust conducted funeral services Wednesday May 25 at Bethel church and remains were laid to rest in Bethel cemetery.

All who knew her loved her for her life was a ray of sunshine in the neighborhood in which she lived and everyone regrets her sad and untimely death.

Other Folks and Me

Somehow, I think its fun! To sympathize with folks, When they're down and out and blue, And humor them with jokes. To tell them they aint half so far Gone as they think they are; That it's 'jes' some little kink In the threads of fate, And it'll all come right If they'll just sit and wait. But it's doggone tough, When things go wrong with me, Jollying others is well enough, But that stuff don't work on me.
